

Teen Summer Adventure

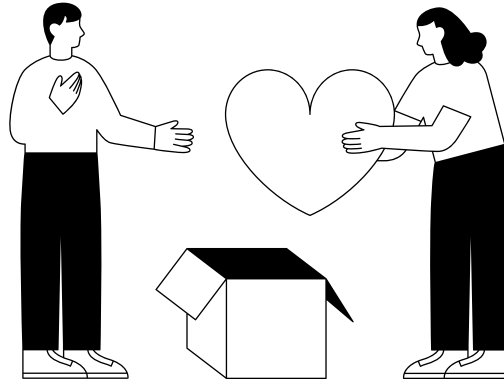

Colour in the graphics as you complete the challenges.
Don't forget to bring your art/writing/reviews etc to the library to be displayed!

Wild in your community

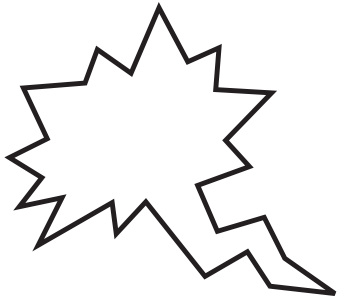

Visit a local park, trail, or neighborhood.

Make something about what you saw and felt outdoors: a drawing, poem, story, photograph -anything goes!

Give your time

Help out a neighbour, join a neighbourhood cleanup, or donate food to a food bank - make your community better by giving back to it. Joining the BPL Teen Advisory Group counts too!

This is me

Everyone has a story to tell, what's yours?

Tell your story in any way you want: write, draw a comic, tell it as a joke, or make a piece of art.
